The game was confirmed to work on Windows 8, both 32 and 64 bit editions. Sep 24, 2012 in looking at our response to Assassin's Creed 2 it is clear that there was confusion on our side as to which product is in question. Here is my response: On Sunday, September 17, 2012, Assassin's Creed 2 was released for the PC. While this is something we wanted to do as soon as we got the game and did not want to hold anything back, we did not want to release the game with certain bugs that may cause problems for a user or on a user's end. Sep 25, 2012 I've
