Practice Exam Questions.Q: How to capture an image from camera and set it in an image view in android I am new to android development. I was asked to implement a functionality where there is an image view which is suppose to be a photo taken from camera and a button to capture an image. The image should be set in the image view. I implemented the functionality but I am getting the following error 10-20 22:07:56.015: ERROR/AndroidRuntime(564): FATAL EXCEPTION: main 10-20 22:07:56.015: ERROR/AndroidRuntime(564): java.lang.IllegalStateException:
