Privacy Policy to the ground. On this basis, the trial court's findings that defendant did not intend to kill Ira and that he only intended to run Ira over are not supported by the record. III. Consecutive Sentences Defendant next argues that the trial court abused its discretion in imposing consecutive sentences. Specifically, defendant claims that the two sentences resulted in cruel and unusual punishment. This court recently addressed the question of the imposition of consecutive sentences for convictions of murder and reckless manslaughter in State v. Gillard, 136 N.J. 460, 643 A.2d 521 (1994). In Gillard, the court held that consecutive sentences were not required in a reckless manslaughter case and that such consecutive sentencing was "preferable" but not mandatory. Id. at 474, 643 A.2d 521. The statute in effect at the time of defendant's sentencing provided that "when the indictment or accusation charges a person with a violation of both a section 6a5afdb4c
