Can I launch an extended cod war? My specs: Win 7 64bit Intel Core i3 3220 3.2ghz quad core 4gb ram ddr3 amd ati radeon hd 6450 1gb ddr3 (dx11...etc) Windows 7 64bit 7.0. I want to start a cod war that was added but couldn't find a way to do it. I also want the war to be released normally. I want it to be released offline and I want to be able to run it every day. I installed the program to work on my computer. thanks for the help In general, this is impossible. What you can do is start the war, start the windows service and then start it manually.
