
Aveva has released the new version of PDMS 12.0 SP6.25. It is a professional solution for health data and mobile healthcare allowing seamless integration of HL7 SDTM, EDIFACT, 2\5 and other healthcare standards directly in your business routine. PDMS is suitable for the fastest integration into your EHR and gives you the possibility to work in the cloud.

Aveva Pdms 12.0 Sp6.25 full software 2014 download.txt Sep 19, 2013 can access via h***. I see a "crack" on the end of the filename, so i would assume that this is not real. Has anyone been able to use this and tell me if it works? I'd appreciate a step-by-step procedure, if you have. Thanks.
