I played it late at night, and with a little tweaking, it becomes great. Really playable and never nauseating. Played together and then in the same room, it's different for us, I often notice that. All in all, it's just like people. It's even very similar. It's so weird. - What about their relationship? - They are very fond of each other," he answered without thinking, and this statement was true. - Maybe they're already in love with each other, she suggested. - I don't think so.
