We have our own Bank - it is our soul. And with it, we create our lives. You only have to look into that
jar, There we will find everything we need. With it we can see the future, If there's water in it, we'll be
all right in the future. If the jar is empty, you can't see the future. It will be dark and cold and nothing
good will happen to us. Look at this picture. This is our Soul Bank. Look at you, who you are. You are
the bank.
