
great quarterback play from Peyton Manning, who threw for more than 400 yards in all three games since the Chiefs beat them.

Manning torched the Chiefs defense for 8.2 yards per attempt, and will be looking to deliver big plays to running back C.J. Anderson, who will be facing a soft matchup at Arrowhead. The Chiefs have had problems with the Broncos all year, especially early in the season. Denver had an early bye in Week 1 after going undefeated the last two years, and looked slow in a 13-9 loss to the Chiefs in Week 8. Kansas City then embarrassed the Broncos, 34-10, in Week 9. The Chiefs had nine sacks against the

Broncos, and played extremely well in a win over the San Francisco 49ers. The Broncos have been dealing with a slew of injuries to their defensive line, and center Manny Ramirez might not be available for the game. That means the Chiefs will likely have success on the interior offensive line, 3da54e8ca3
