Sins of a Solar Empire: Rebellion trainers, cheats and codes for PC Sins of a Solar Empire - game description Do you like strategy, warfare, tactics and action? Are you looking for a game to test your skills? Enter the Sins of a Solar Empire universe and gain an advantage over your enemy in this real-time 4X game. Try your hand at 4X strategy or cross the veil between the simulation and real-time strategy genres. For players who want to compete with their friends, Sins of a Solar Empire provides a public single-player server, allowing dozens of players to play over a single map simultaneously in their own server. From the makers of the award-winning Civilization series, Sins of a Solar Empire puts you in control of your own faction and allows you to choose from dozens of unique units, commanders and technologies, giving players total strategy control over the fate of

the galaxy. In addition to commanding your own faction, you can also fight against other players, take part in online tournaments or challenge your friends to multiplayer mode. SINS OF A SOLAR EMPIRE. PC Game Review.

In this space farce, two spacefaring races have clashed, and the outcome has shaken the universe to the core. Your planet has been invaded by an alien race, and you are the sole remaining defender of the human race. As commander of the only remaining human fleet, you are charged with the task of driving the invaders from your star system. The forces on both sides are evenly matched, and the fate of the human race has never been so uncertain.. The Official Website for the Sins of a Solar Empire Universe for Games.
