The language-learning app's new iOS app, Duolingo Explore, is out of beta and does away with Duolingo's circle of friends (classic) and allows you to live stream your conversations with friends in real-time. Take the test now! As the Android
community comes together to launch an all-out assault on iOS, it's time to take stock of what Apple's devices have to offer. We've put together a comparison of the iPhone, the Apple Watch and the iPad to give you a clear idea about which device suits your needs best. What a day! After a tumultuous rise on the Nasdaq, Apple shares fell by 2.5% on
Friday to \$177.40, but recovered. Better than that, a new rumor surfaced that claims Amazon is planning to launch a holiday gift guide similar to what Apple is doing with their annual one. And no, it's not a Christmas tree, but rather a guide of the best products on Amazon. Oh and in case you were wondering, that's not an iphone X on the cover. Meanwhile, YouTube's video sharing service is gearing up for the third holiday season by celebrating Christmas in the USA. The new YouTube channels are "Christmas Cookies," "Holidays" and "Santa: The Story." "Christmas Cookies" will teach you about the history of Christmas in the USA. The new YouTube channels are "Christmas and "Santa: The Story" will get you into the Christmas spirit with some festive videos. The new YouTube channels go
