Island Paradise 3D Screensaver [Mac/Win]

This dreamy island's snow-white sand glitters like diamonds in the sun. An elegant yacht cruises the crystal clear water as dolphins playfully criss-cross around it. Brilliantly colored fish swim through the coral reefs, and seagulls float gracefully above it all. You'll have no choice but to believe that this is paradise! Evening slowly catches up to the island. The sun sinks into the sea, and paints the sky in beautiful red tones. As the moon rises, the yacht strikes its sails and lowers its anchor. The night brings to life the mystical ceremonial site on the mountain: a bonfire alights and washes the lush vegetation in a mysterious play of light and shadow. Let this unique screen saver help you experience the fascination of the South Pacific. Designate the time of day yourself, or just let time seamlessly flow from day to night. Various camera perspectives offer you a view from either above or under the water. Chase the fast-paced dolphins or accompany the yacht on its way around the island.
