
DmC Devil May Cry: Vergil's Downfall Crack Full Version Download !!TOP!!

the heart's interior is made of the inner essence of the demon world, and hollow vergil explains that, while he is the first to possess vergil's heart, he is the last of his kind. although the heart is not sentient, it seems to hollow vergil that it can sense vergil's presence and responds to his desires. hollow vergil urges vergil to find redemption and give it life, and vergil responds that he has no intention of doing so. hollow vergil informs him that his failure to repent will prove fatal, and if vergil does not return the heart's power to him, hollow vergil will transform him into a demon as well. hollow vergil transports vergil into the demon realm, where he recognizes vergil's pendant and challenges him to confront his demons. as vergil tries to reason with the demons, hollow vergil reveals that it was not vergil's power that created the holes, but a demonic corruption, but he states that vergil is the only one with the power to correct it. vergil refuses to accept the challenge and attempts to leave, but hollow vergil warns that he will remain in hell until vergil is willing to confront his demons. as vergil attempts to escape, hollow vergil reveals that he will retain vergil's heart so that he may possess vergil's body and complete his quest. hollow vergil possesses vergil, and forces him to fight the demons. as vergil fights the demons, he attempts to explain that he has come to fight hollow vergil, but hollow vergil declares that he is already dead and that vergil is his last chance to escape hell. as the battle continues, hollow vergil states that vergil cannot kill his demons because they are within vergil, and hollow vergil transforms his mortal body into a demon form, but also reveals that he is still wearing vergil's pendant. he charges vergil with saving his heart, and warns that he will destroy vergil if vergil fails. as the demons overrun vergil, hollow vergil warns him that, if he succumbs, hollow vergil will kill him and start again.
